Question Submitted: 2/17/2005

Question Number: 2

I am writing to ask for a more detailed description of the work proposed by Item 253 Pavement Repair 25 Cu. Yds. on page 4 of the plans.
According to the 2002 Specifications page 162, the plans should show details about the repairs and replacement material.
Please advise.

Thank you, David Stager

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders.
