## Prebid Questions

Project No. 040344

Sale Date - 5/19/2004

Question Submitted: 5/17/2004

Question Number: 1

Upon my site visit to this area I noticed that the only Big Creek Spur Park area remotely close to the plans was on the east side of Ravenna Rd. Plan sheets 2 & 12 show an area similar to the one I found but they state it is on the west side of Ravenna Rd. The only areas on the west side are residential dwellings. Please verify that the drawings are correct. Also if the compass is wrong in the plan sheets and I was in the right area than the contour elevations on sheet 2 are backwards as well. Thank you.

**The district has reviewed your question and believes that the plans are correct.**
