Project No. 070289

Sale Date - 6/1/2007

Question Submitted: 5/24/2007

Question Number: 1

concerning plan note page 3/23 izeu system on the Railing on the concrete parapet?is this work included in this item for payment?This railing is to be galvanized and then painted black with system izeu. What coats are required? Epoxy and urethane?If this work is less then %5 of the project does the general contractor need the paint work type to do the work ourselves? If we can do this work ourselves, is a QC needed and do the employees need be certified?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
