## Prebid Questions

Project No. 075002

Sale Date - 6/20/2007

Question Submitted: 6/15/2007

Question Number: 1

The proposal project notes call for the old heat straightening specifications. The bid items call for the new heat straightening specifications (January 19, 2007). Which one will govern?

Question Submitted: 6/15/2007

Question Number: 2

We would like to see the completion date extended to allow the contractor time to prepare the Straightening Work Plan and ODOT to review and approve the plan.

Question Submitted: 6/18/2007

Question Number: 3

The plan notes prohibit working over the fourth of July. We feel more time is needed to do the required submittals and work.

**The District feels there is sufficient time to complete the work. No change to the interim or final completion date will be made.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
