Prebid Questions

Project No. 100148

Sale Date - 3/25/2010

Question Submitted: 3/11/2010

Question Number: 1

In regards to the Heat Straightening on Bridge No. HAM-126-1950 the plans refer to Supplemental Spec 849, but the pay items outlined in the specification are not listed. How are the items; Item 849E10000 - Damage Assessment, Item 849E10500 - Surface Preparation, Item 849E10600 - Repairing Damaged members by Grinding, Item 849E10700 - Straightening Damaged Members, as stated in the SS 849 paid? Are the previous items included with Item 513E19000 Special- Heat Straightening of Damaged Structural Steel?

A: The reference to Supplemental Spec 849 provides all the requirements for the method of repair. Per note Item 513 - SPECIAL - HEAT STRAIGHTENING OF DAMAGED STRUCTURAL STEEL on sheet 5 of 17, payment for all the below shall be at the unit price bid per lump sum for item Special - Heat Straightening of Damaged Structural Steel, which shall include all labor, equipment, materials and incidentals necessary to complete the above work. Previous items noted in the prebid question shall be included with Item 513E19000 Special - Heat Straightening of Damaged Structural Steel.

Question Number: 2

The Lane Value Contract Table from the plans, identify a disincentive cost. The ODOT Permitted Lane Closure website shows permitted closure from 7pm to 6am (weekday construction), at what time does the disincentive cost come into effect?

The contract shall reference the permitted lane closure map for for each individual structure. The disincentive cost will come into effect prior to and after the permitted closure time.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
