Prebid Questions

Project No. 098004

Sale Date - 3/4/2009

Question Submitted: 10/15/2008

Question Number: 1

Plan page 40 of 45 shows an alternate bid item for the controller unit/ Type TS2/A2, with cabinet, type TS1, as per plan for an Econolite brand controller. However, the proposal does not contain a pay item for this alternate bid. This project was previously being let as ODOT project 090053 and was deferred after an addendum was issued adding the alternate pay item. Will an addendum be issued to again add this alternate pay item.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
