Prebid Questions

Project No. 085006

Sale Date - 6/11/2008

Question Submitted: 6/5/2008

Question Number: 1

John R Jurgensen owns several signs and windmasters that are still located on the project. Since their contract is complete, who is responsible to remove the signs and return them?

The Type "B" Emergency Contractor is only responsible for the items that are in contract. In the event that anything is not covered, the District does have the option of reactivating the Type "A" Emergency contract to remove additional items or mobilize State forces to perform such work. Construction personnel are being notified of Jurgensen's property interest.

Question Number: 4

When will the EBS file and proposal be available for this project?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
