Question Submitted: 5/6/2008

Question Number: 2

the beams called out in the plans are not available. there is a rolling of these beams this month, but the rolling has been closed for quite some time. there are no known warehouses that are bringing them into inventory, therefore they will not be available from stock. the next rolling for these beams is not until october, 2008. it is not possible to bid/construct this project as-is. please advise...

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
