Prebid Questions

Project No. 070233

Sale Date - 5/2/2007

Question Submitted: 4/24/2007

Question Number: 1

Can a Type A fiber be used in the 826 Intermediate Type 2 Asphalt Mix in lieu of the Type B fiber, due to the low melting point?

Type A fibers are required by Addendum #1.

Question Submitted: 4/26/2007

Question Number: 2

Is the interim completion on page suppose to be August 15 of 2007?

Yes.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
