Project No. 060339

Sale Date - 7/26/2006

Question Submitted: 7/7/2006

Question Number: 1

On page 6/19 in the paragraph regarding planed surfaces It states the time between milling and placement of the surface course shall not be longer than 14 days. Shoul'n't this be the intermediate course.Please review Thanks.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
