Prebid Questions

Project No. 050449

Sale Date - 8/24/2005

Question Submitted:

Question Number: 1

There is no note regarding the existing retaining wall. Does it stay in place or get removed?

The existing retaining wall is to remain in place unless the Plan Cross Sections show that its removal is included in the excavation for the new wall.

Question Submitted: 8/16/2005

Question Number: 2

1)Can ODOT provide a boring location map for the boring logs. It is unclear where the borings are taken from.

2)How does ODOT intend to pay for asphalt pavement removal to install the Type 2 curb & gutter at the stationing shown on sheet 5.

Question Submitted: 8/23/2005

Question Number: 3

Is the existing wall to stay and be worked around or be removed.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
