Question Submitted: 5/29/2008

Question Number: 1

On the front sheet of the plans, the current ADT is 640 and the Trucks(24 B&C) are at 4.7%. Page 32 of the proposal list PN 416 Design Requirements for Plant Mix Pavements (Heavy). With the design data did ODOT intend to use a Heavy for this project?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
