Prebid Questions

Project No. 100202

Sale Date - 4/15/2010

Question Submitted: 3/26/2010

Question Number: 1

The cross sections for Ramp C and D have "Earthwork for Maintaining Traffic (for Information Only)" quantities included. Where is the cost for this earthwork and the rest of the roadway prep-work for the temporary pavement to be included?

A bid item will be added to cover this work.

Question Submitted: 3/29/2010

Question Number: 2

Sheet 14 shows detour routes for Ramp D and Ramp E to be utilized when ramps are closed. Is ODOT or the Contractor responsible for installing/removing the detour signing? If the contractor is responsible for the detour, under which bid item should the cost for the detour signing be included?

On plan sheet 13 in the second column of notes says "ODOT forces will provide, erect, maintain and remove all detour signing."

Question Submitted: 3/29/2010

Question Number: 3

Could ODOT please post a link to the roadway Office Calculations referenced in the General Summary?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
