## Prebid Questions

Project No. 075006

Sale Date - 10/3/2007

Question Submitted: 12/13/2007

Question Number: 1

(1)The proposal states the completion date as November 15, 2007. Plan note "Lane Closures and Restictions" (plan sheet 8) reads "Bridge work will be completed by October 31, 2007." I assume the proposal date is correct and the plan note should be revised to read November 15, 2007. Please clarify.

**The proposal completion date is 11/30/2007**

Question Submitted: 12/14/2007

Question Number: 2

(1) Since the project bids on October 3 and the completion date is 11/30/2007 how quickly will ODOT award and execute a contract?

**If all bids are received in good condition, the project should be awarded by Friday, October 5, 2007. The contract will be issued to the contractor on the award date by overnight mail. The contractor should execute and send back to ODOT as soon as possible.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
