## Prebid Questions

Project No. 040328

Sale Date - 5/19/2004

Question Submitted: 5/11/2004

Question Number: 1

Bid Item 14, 446 Asphalt Concrete Surface Type 1, has a PG Grade of 64-28. In General Summary Description on page 11 it also shows the item as a PG64-28.

In the Typical Section on page 3 the Legend lists the PG Grade as 64-22 as does the Pavement Data on Pages 9 & 10.

Could you please clarify?

Thank you.

**Thank you for bringing this discrepancy in the bidding documents to our attention. Discrepancies in the bidding documents shall be resolved per CMS 105.04 Coordination of Contract Documents. This specification states the order of precedence within the bidding documents.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
