## Prebid Questions

Project No. 080073

Sale Date - 1/25/2008

Question Submitted: 1/21/2008

Question Number: 1

Due to the distance between the structures at mile marker 1.60 and mile marker 4.10 would it be possible to do these two structures at the same time as this would speed up the work on the project and cut down on the time that traffic would be inconvenienced

**The District respectfully declines.**

Question Submitted: 1/21/2008

Question Number: 2

Plan sheets 27, 41 & 56 show 25' of Guardrail, Type 5 25' Long Span at 6 locations. If you look at GR-2.3 in the standard drawing book it shows 100' at each location. What is the correct amount? ☐ If the 100' of Guardrail, Type 5 25' Long-Span is correct

Question Submitted: 1/21/2008

Question Number: 3

In your bid proposal you have cofferdams as per plan called out for all three bridge replacements. However in reviewing the plans there are no details for these dams. Can you please provide some more information on these cofferdams. Thank You, Josh Fields

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
