## Prebid Questions

Project No. 080223

Sale Date - 4/2/2008

---

Question Submitted: 3/20/2008

Question Number: 1

Can a vibratory hammer be used to drive the Steel H-piles on this project? We have used this vibratory hammer to drive sheet piling on other ODOT projects.

**No, they may not use a vibratory hammer.**

Question Submitted: 3/24/2008

Question Number: 2

We were just starting to put together our bid and we were wondering why the pile mobilization is left off of both Meigs County Projects 080223 and 080224?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
