

Ohio Department of Transportation

Prebid Questions

Project No. 100302

Sale Date - 5/20/2010

Question Submitted: 5/12/2010

Question Number: 1

1. How will the unclassified excavation and subsequent embankment required to install the lagging be paid? It is not clearly defined in the notes or bid items. 2. How will the installation, removal, and sign rental required for the detour route be paid? Is this cost associated with the bid or will ODOT bear this cost?

A1. See sheet 3, note for Item 524 Drilled Shafts, paragraph ACCESS "The cost of any excavation and subsequent replacement of embankment (per item 203 embankment) shall be included in the various bid item for drilled shafts and concrete panels." A2. Detour Signing shall be as per 614.06 A

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
