The question stems from the proposal quantities for reference numbers 47, 48, 49 and 50. The proposal calls for 24,831 SF but we are only able to come up with approximately 13,600 SF for these quantities. Will the department please confirm the quantity?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
