## Prebid Questions

Project No. 090413

Sale Date - 8/12/2009

Question Submitted: 8/5/2009

Question Number: 1

Bid Reference # 2 of this project requires backplates to be furnished for exiting signal heads. Since there is not a universal backplate that fits all manufacturer's signal heads can ODOT detail what manufacturer's heads are that intersection.

**Eagle.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
