Project No. 091127

Sale Date - 12/17/2009

Question Submitted: 12/13/2009

Question Number: 1

Is it ODOT's intention not to require ARRA signs on this project even though it is a stimulus project?

**This project was given a waiver for the signs as there is no public R/W available to erect them and they would be a sight distance hazard in this urban setting.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
