Where is the 628 cu. yds. of unclassified excavation coming from, this seems high for this size abt. thank you.

The proposed bridge length is longer than the existing bridge, which will require more excavation than usual.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
