Page 23, section 15 mentions bidder must have five years experience in water/wastewater operations contracts. Does employee resume outweigh corporate resume. Can a company with little experience in water/wastewater "operations", be accepted with employees far exceeding requirements. (i.e. 1-OEPA Water 3, 1-OEPA Wastewater 3, 1-OEPA Water 2, 1-OEPA Wastewater 2, 1-OEPA Water 1, 1-OEPA Wastewater 1, 45 years experience in commercial water/wastewater operations.) Can the bidder be an individual?

Question Number: 2

Will employee experience take precedent over company experience? With employees having OEPA Water/Wastewater dual licenses of Level 1,2, & 3, and 51 years of contractual municipal water/wastewater operations. Will this allow a company having mostly water/wastewater installation bid the project. Or, can the project be bid by an individual, or group of individuals?
