Project No. 070361

Sale Date - 7/18/2007

Question Submitted: 6/28/2007

Question Number: 1

This project is set up for item 643 Polyester Pavement Markings which require a 2-week period before application on new asphalt concrete. Will the District require 614 Work Zone Center Line, Class I during this 2-week period and if so can a bid item be added for this?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
