

Ohio Department of Transportation Prebid Questions

Project No. 060133

Sale Date - 3/8/2006

Question Submitted: 2/22/2006

Question Number: 1

In part one of the plans it has an alternate for the polyester pav't markings to be Polycarb.

In part two there is no alternate for the markings, shouldn't there be one, at least for the sake of consistency.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
