Prebid Questions

Project No. 080080

Sale Date - 1/25/2008

Question Submitted: 1/22/2008

Question Number: 1

can the existing bridge drawings, especially for the 1038 L/R bridge, be posted on the website?

<http://www.dot.state.oh.us/contract/ftp/attach/PIC-81190/>

Question Submitted: 1/22/2008

Question Number: 2

1.)Plan sheet 17 appears to require raised pavement markers with steel castings on both edge lines, as well as the centerline for the 21,473 lin ft length of Transition Area under Ref No 88. Since this item often allows the use of glue on temporary RPM's, would you please confirm that steel castings will be required.2.)Std Dwg GR-3.1 has not been updated to the 1-19-07 modification date. We mention this in the event that the updated version was inadvertently omitted.

Question Submitted: 1/22/2008

Question Number: 3

Will SIP forms be allowed on this project?

No

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
