Question Number: 3

After downloading the amended EBS file it was noticed that the quantity for amended bid item 644 centerline was 11.000 Mile. The addendum we received reads .11 mile. Does this need corrected?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
