Question Submitted: 9/25/2008

Question Number: 3

Proposal Special Clause, item 9 on page 3 note says the contractor is to pay for the construction of a temporary crossing of the railroad's tracks, but does not indicate who constructs the crossing. A plan note on page 7/21 says the railroad will construct the crossing, but does not say who will pay for the crossing. Please clarify who builds the crossing over the tracks and who pays for the crossing. Thank you.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
