Prebid Questions

Project No. 050460

Sale Date - 8/24/2005

Question Submitted: 8/2/2005

Question Number: 1

This project has an October 31, 2005 completion date with an October 1, 2005 interim completion date. Allowing for contract processing and the pre-construction meeting, work would not begin much before September 12, 2005, leaving three weeks to complete the project.

Is it the Department's intent to accelerate this work into such a short time frame?
