Project No. 080349

Sale Date - 5/21/2008

Question Submitted: 5/15/2008

Question Number: 1

The plan note on page 4 of the plans for Item 422 Chip Seal requires an ADT to determine emulsion binder type. Can ODOT provide the ADT for this area?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
