Prebid Questions

Project No. 040552

Sale Date - 10/20/2004

Question Submitted: 10/18/2004

Question Number: 1

In the proposal, the stations given regarding utility relocations do not match any stations within the project limits shown on the plans. What are the correct stations for utility relocations?

The stationing referred to for utility relocations is shown in the R/W plans on sheets 44-48.

Question Submitted: 9/23/2004

Question Number: 2

I downloaded this file into our computer. When I attempted to open it, the message read that the "document was too new and we needed to upgrade our Expedite file. How is this done?

Thank you for your time,

George Kaiser

Question Number: 3

I downloaded this file into our computer. When I attempted to open it, the message read that the "document was too new and we needed to upgrade our Expedite file. How is this done?

Thank you for your time,

George Kaiser

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
