Prebid Questions

Project No. 100377

Sale Date - 5/20/2010

Question Submitted: 5/24/2010

Question Number: 1

Due to the high risk nature of Item #5 (Full Depth Removal and Rigid Replacement), with the limited lane closures and/or weekend work and the potential for \$12,000/hr in liquidated damages we must know the lane and station of each repair.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
