

Ohio Department of Transportation Prebid Questions

Project No. 050614

Sale Date - 12/14/2005

Question Submitted: 12/9/2005

Question Number: 1

Ref # 133 Special Railroad Liability Insurance Item.

There is no information in the proposal about requirements for the policy with the Railroad (Limits required OCC & AGG, Trains/day, etc).

Page 88 of the plans has a note regarding cooperation with the Railroad. Please clarify who is responsible for the cost of the railroad flagger. This could be a significant part of the job.

Addendum No. 1 contains the Special Clauses for Ref # 133 Special Railroad Liability Insurance Item and modifies Plan Note on Sheet 88. ODOT will pay railroad flagger costs directly to Norfolk Southern Corporation as a part of the Railroad Agreement for this Project.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
