## Prebid Questions

Project No. 040615

Sale Date - 12/8/2004

Question Submitted: 11/18/2004

Question Number: 1

Sheet #10 Maintenance of Traffic, overnight trench closing:

Is it realistic that a contractor can perform excavation, subgrade compaction, place and compact 304, install hook bolts and other paving accessories required under 305 specs and place 305 base for any distance in the same day?

Question Submitted: 11/29/2004

Question Number: 2

Water Works General Notes Plan Sheet 186:

The waterline "As Per Plan" items state that "All material for the above items will be furnished by the Portsmouth Division of Water"

Is it the intent of this note that ALL materials are provided including: Bedding, Backfill and Pipe & Fittings?

As it currently reads, all the contractor needs to include for material is trucking from the Water Division's yard.

Please Clarify.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
