Prebid Questions

Project No. 072005

Sale Date - 9/13/2007

Question Submitted: 8/28/2007

Question Number: 1

Hello, We have received the plans packet from the ODOT office of contracts. Inside, under qualification, it states "Bidders must apply for prequalification with the Department's Office of Contracts, Contractor Qualifications Section, at least 30 days before the date set to open bids? My question is we have just received the packet and the actual bid date is set on 9/13/2007, how would we go about to prequalify for this project? After prequalifying for this project, where can we obtain spec. book and bidding packet?

You can get our application off the Department's website (http://www.dot.state.oh.us/CONTRACT/pq_contractor.htm). We can't guaranty that the application will be worked in time but we will do what we can. You will also have to sign up with bidx to get a digital ID (call Dan Stacy at 614-466-8691). You can get spec book and bid package from the Office of Contracts' Customer Service Desk, 800-459-3778.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
