Question Number: 2

Ref# 5: 50.5 Lf. Breakaway Beam Connection. This should be 10 Ea. Breakaway Beam Connection. The pay item is for each, not lineal feet.

Question Submitted: 3/14/2006

Question Number: 3

It appears that the plan quantity for Reference Number 5, Breakaway Beam Connection should be 10 (Not 50.5) It would then coincide with (10) each Ground Mounted Beam Support Foundation of Reference Number 13.

Generally, an item such as

Reference Number 27, Field Office Type A would not be required on a sign replacement project, as it is often non-performed or not included in the proposal.
