Prebid Questions

Project No. 078016

Sale Date - 8/15/2007

Question Submitted: 8/10/2007

Question Number: 1

On project 078016 in the August 15, 2007 letting ODOT has specified a quantity of 2,968 SY of Item 251, Partial Depth Pavement Repairs. Following a field survey the intended use of the item is unclear. The quantity could be used in both the longitudinal or the transverse direction. Please explain the intent of the department with respect to this item. What portion of the quantity is intended to be used longitudinally? What portion is intended to be used transversely? Due to the fact that the repairs differ substantially in cost, relative to direction, please clarify the departments intended use of the item.

Per CMS Section 251.02 REMOVAL OF EXISTING PAVEMENT. The Engineer will designate the location and limits of the areas to be repaired.

Question Submitted: 8/14/2007

Question Number: 2

Since addendum #1 gave interim completion dates will the Item Field Office be extended from 3 Months to 12 Months.

Question Submitted: 8/14/2007

Question Number: 3

Since Addendum #1 gave interim completion dates will the Item Field Office be extended from 3 months to 12 months?

Please bid the plan as shown. We are planning on utilizing the field office

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
