Prebid Questions

Project No. 090483

Sale Date - 11/4/2009

Question Submitted: 10/22/2009

Question Number: 1

The plan note for Item 614 Portable Changeable Message Sign, As Per Plan on sheet 5 makes reference to the need for two message boards on site for the duration of time specified in this note. However, the payment area of this notes state that payment shall be at the unit price bid for each sign month. Typically the Department would specify a quantity of 6 sign months for providing two PCM Signs for a 3 month long period of time. Does the payment for the bid unit of 1 sign month include two signs for one month?

See Add. No. 1

Question Submitted: 10/22/2009

Question Number: 2

Pavement calculations sheet 8 of 23 has not included the SLM range of 4.15 to 4.34 for milling and paving work. Did the Department omit this area on purpose? Please add quantity by addendum, or clarify how this area is quantified, and what work is to take place there.

See Add. No. 1

Question Submitted: 10/27/2009

Question Number: 3

Upon site investigation of this project, it appears that there is a concrete shoulder on the median side at the East end of this job along concrete barrier wall. Is this area to be milled under Item 254E01000 Pavement Planing, Asphalt Concrete?

See Add. No. 1

Question Submitted: 10/29/2009

Question Number: 4

Will the contractor be required to contain and dispose of Hydro Demolition water on this project. If so please update the supplemental spec per addendum, or specify requirements and methods of payment.

See Add. No. 2

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
