Prebid Questions

Project No. 050493

Sale Date - 9/21/2005

Question Submitted: 9/16/2005

Question Number: 1

Item 251 Partial Depth Repair

The designer has provided in the plan 1,379 square yards of this item to be preformed. Since 1,079 square yards are specified on SR-303 for the section from SLM 5.60 to SLM 6.55 the designer evidently had some concept in mind when he calculated this quantity.

To efficiently bid this item, we wish to know what percentage of this quantity is for transverse repairs which are typically 1'-0" in width and what percentage is to be used for longitudinal repairs?

Thanks

Per the CMS Section 251.02 "REMOVAL OF EXISTING PAVEMENT, The Engineer will designate the location and limits of the areas to be repaired."

Question Submitted: 9/9/2005

Question Number: 2

Could you please provide some information re: Railroad Protective Insurance, specifically, the address of railroad company including a contact name and the number of trains in a day including their average speed.

As per Brian Allen of the Cuyahoga Valley Scenic Railroad: Trains per day = 5 / Speed = 15 mph / Type= Passenger. Also, The corporate name and address of the "Named Insured" as listed on the policy shall be as follows: The Cuyahoga Valley National Park (Owner) 15610 Vaughn Road Brecksville, Ohio 44141, and The Cuyahoga Valley Preservation & Scenic Railroad Association (Operator) P.O. Box 158 Peninsula, Ohio 44264 Brian Allan Director of Operations The Cuyahoga Valley Preservation & Scenic Railway Association P.O. Box 158 Peninsula, Ohio 44264 Telephone: 440-526-7128

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
