Question Number: 1

Please advise how we can get the information supposed to be on the internet at the address found on sh 3/15 of the plans. We have tried several times. The website says no information available. We have contacted Tina Collins and she replied "Brian will be calling civil". Brian has not called. This information is necessary to determine whether or not daytime work will be permitted.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
