Prebid Questions

Project No. 101035

Sale Date - 3/18/2010

Question Submitted: 3/3/2010

Question Number: 1

Will the use of an independent material transfer device be required for all paving, both intermediate & surface course, on this project per the new 800 supplemental spec. dated 1/15/2010? If so will it be required for ramp areas as well as mainline?

This project has SS 800 dated 01/15/2010 shown on the Title Sheet, all requirements of this SS will be required to be used.

Question Submitted: 3/5/2010

Question Number: 2

Is all the preliminary laboratory and subsequent field testing required for rigid removal and replacement with RRCM?

The requirements for testing have not been waived and will be required to be performed.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
