Question Number: 4

Can the contractor use Boston Mills Road for access to the site as well as a haul road?

Question Submitted: 3/31/2008

Question Number: 5

1) When will the department issue the notice to proceed for this project? This date is important in order to estimate how long Boston Mills Road will be available to the contractor for use prior to the July 31, 2008 haul road restriction date. Please clarify in an addendum.2) There is an existing access road to the east of the project limits that ties into the I-271 SB shoulder. Is the road available for use during the construction of this project?

Question Submitted: 4/1/2008

Question Number: 6

1) Plan sheet 27/28 calls for 18" RCP to be installed however the proposal only calls for Type C conduit, and does not specify 706.02. Will 706.02 be required?

Question Submitted: 4/2/2008

Question Number: 7

1) The proposal calls for a completion date of September 30, 2008. Sheet 6/28 calls for planting of trees and shrubs between September 15 and June 1. Some trees won't be available until October. Can the completion date be extended to allow for the landscaping items to be completed in the fall 2008?

The District believes that the plant species are common and can be obtained in time for the completion of the project as per the completion date shown in the Proposal.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
