Prebid Questions

Project No. 040484

Sale Date - 8/25/2004

Question Submitted: 8/11/2004

Question Number: 1

The plans show drainage work on sheets 18,19 and 29. There is stationing but but there is no way to determine the location since the work limits are designated in slm w/ no reference to the stations to the drainage. Please provide a point of reference for all drainage work shown.

Please see addendum #1.

Question Submitted: 8/5/2004

Question Number: 2

It appears that the quantities for reference numbers 0012 and 0013 have been reversed. The correct quantities appear on the pavement data page (sheet 4 of 23) but were reversed on the general summary (sheet 2 of 23) and the proposal.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
