Question Number: 1

Bid item 19 622 Conc. Barrier Single Slope, Type D 68 Ft.

There needs to be a bid item for Barrier end sections 2 EACH.

This will bring the barrier quantity down to 40 Ft.

Question Number: 2

On page 8/26 of the plans it states that all work zone markings placed on final course will be 740.06 Type 1. Is the price for applying that large quantity of tape in the bid price of work zone markings, or will it be a separate bid item sent out in an addendum?

Question Number: 3

Per General Notes page 7 Coordination of Resurfacing and Planing Operations 6,000 tons of grindings are to be delivered to the Holmes County Garage 4235 S.R. 83 Millersburg also in the Maintenance of Traffic page 8 the daily lane closure hours are between 6:00pm and 6:00 am.

My question is will the Outpost be open between the hours of 6:00am and 6:00pm.

Access to the county garage will be made available during the Contractor's working hours.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
