Prebid Questions

Project No. 090530

Sale Date - 12/4/2009

Question Submitted: 12/3/2009

Question Number: 1

This project includes PN 530 - Asphalt Binder Price Adjustment for Single Year Projects. As described in PN 530, the Bid Index is equal to the asphalt index for the month the project is bid. However, the most recent published index price is for November, and this project bids in December. How are we to determine the bid index and what price will be used in calculating a price adjustment?

Bid as per Proposal Note 530 states.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
