Prebid Questions

Project No. 060193

Sale Date - 4/5/2006

Question Submitted: 3/28/2006

Question Number: 1

In the proposal book there is a completion date of 09/30/2006 but on page 3 of 14 of the plans there is a note about a interim completion date of May 31, 2006. Is the actual completion date 09-30-2006 and if not what exactly does the interim completion date mean. With the job not bidding until April 5th, any completion date of May 31st would be very unrealistic. thank you.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
