Prebid Questions

Project No. 090318

Sale Date - 6/10/2009

Question Submitted: 5/18/2009

Question Number: 1

bid item 73 transverse line 20 ft. Where does this pavement marking go?

Question Submitted: 5/29/2009

Question Number: 2

The plans indicate that the existing traffic controller and cabinet is to be re-used. There is no pay item for re-programming and re-using the existing control equipment. Where is the cost of this work to be included?

Question Submitted: 5/29/2009

Question Number: 3

The plans do not address the railroad preemption of the traffic signal or the advance signals for the SB 42 approach to the intersection. Are these signals and the their support equipment being replaced / reused, or eliminated? Please address how the contractor is to handle the preemption as well.thank you,

Question Submitted: 6/3/2009

Question Number: 4

Do we need railroad insurance coverage to complete the signal installation?

Please see addendum #3.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
