Prebid Questions

Project No. 060421

Sale Date - 9/20/2006

Question Submitted: 9/13/2006

Question Number: 1

Addendum No. 1 adds the costs associated with constructing the 30' x 30' stone surface pad and fence work directly to the Maintaining Traffic LS item. What is the purpose for this stone pad?

Are the costs to maintain the existing road within BP's property line to this stone pad incidental to the Maintaining Traffic Item?

Thanks.

The stone surface pad is for use by personal within BP's property. The maintenance of the existing road within BP's property is not part of this project. BP will maintain the roadway

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
