Project No. 090319

Sale Date - 6/3/2009

Question Submitted: 6/1/2009

Question Number: 1

Project 090319 has a completion date of 11/1/09. We do not believe this could be completed by the time the contract is awarded with all of the notifications involved, and ask if the completion date could be moved to the following painting season.

We want to keep the completeion date if 11/01/09.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
