Prebid Questions

Project No. 090237

Sale Date - 5/6/2009

Question Submitted: 11/18/2008

Question Number: 1

Do we have to use a granular backfill (304's or 57's etc.) underneath the side walk? Will any filter fabric be required? Instead of shutting the south side of 339 completely down can flaggers be used when required? Thanks for you help

Project is to be constructed as shown in plans.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
